

Needing help for your pet?

This is what we ask of you in order to help you.

1. Call vets in and around the FM area to see if they can give you price quotes for what you are in need of.
2. If the price quotes are something we can not help with due to the lack of funds, we ask you to apply for carecredit, we also help with payments on that, (but not all)
www.carecredit.com
3. Dental needs, we ask you to call vets out of the FM area as those vets are cheaper than the ones in town.

COMMUNICATION IS KEY!!

We need to know what is going on with your pet! Please call us if you miss the appointment so we don't call to give payment!!

PLEASE EMAIL ALL correspondence to:

Another way to get ahold of person in charge of funding

You can message them on Facebook page

Jazzy & Mumbos Animal Aid Thrift Store

Due to the fact that the volunteers can not call vets with payments, I ask you to follow the above instructions.

I need to know what's going on with said pet until the pet has been helped.

Due to the fact that people who get a pet, know that there are responsibilities that come with owning a pet. We no longer help with yearly vaccines,

or spay / neuter. We ask you call Minn-Kota paaws
